I, the undersigned owner/handler (client) of the dog described above do hereby agree that Joyful Dog LLC, and its employees and agents will not be liable for any damage, injuries or losses resulting from failure of the dog to respond to any cues or behaviors taught to the dog by Joyful Dog or resulting from counseling and advice supplied to the owners/handlers of the dog.

I understand that aggression in dogs is a common behavior problem that can in some cases result in serious injury and even death. I also understand that failing to follow the management and modification protocols outlined to me by any agent of Joyful Dog LLC may increase the likelihood that my dog will bite and perhaps injure someone at some time in the future.

Furthermore, I understand that all dogs can and will bite under the right (wrong) set of circumstances, and that even if I do follow the management and modification protocols explained to me by agents of Joyful Dog LLC, there are no guarantees that my dog will never bite again.

The dog's behavior now and in the future is solely the responsibility of the owners/handlers (client) of the dog. Should any behavior on the dog's part now or in the future result in damage to the property, owners, or person or property of some third party, owner agrees to assume full responsibility for any and all such damage, and to indemnify, defend, and hold Joyful Dog harmless from any and all claims or other obligations to pay such losses or damages from disease, death, aggression, biting, running away, theft, fire, or any other injury to or from persons, other dogs or property, or by any other causes. The total liability of Joyful Dog, if any, shall be limited to the amounts received as payment for the services rendered by Joyful Dog.
